☐ Confirmed MCB Bank Bonaire current account (not savings; non-MCB is not accepted)**AUTHORIZATION**

1. The account holder authorizes ABC Fitness & Health N.V. / Dreamz Fitness Bonaire to debit the stated MCB Bank Bonaire current account for variable amounts on various dates and to make reasonable retry attempts after a failed debit.
2. The authorization covers membership fees, signup and prorated charges, selected add-ons, the applicable USD 1 charge per direct debit transaction, a USD 10 fee when a debit is returned for insufficient funds, and unpaid drinks, merchandise, products or services placed on the member account after they were not paid immediately at the Dreamz bar or frontend.
3. Regular monthly collection is normally processed around the 28th. Eligible on-account purchases are part of this mandate and are not a separate opt-in setting. Dreamz should maintain an itemized account record supporting variable amounts.
4. This mandate remains valid for the initial minimum commitment period and automatic renewals. Monthly direct debit is a payment method only and does not change the obligation to complete the initial or any renewed 6- or 12-month commitment period.
5. The account holder confirms authority over the account and that the information is correct. This signed mandate and the signed membership contract may be used as evidence if a debit is disputed.
6. Bonaire/BES law applies. Nothing in this mandate excludes rights or duties that cannot legally be excluded.

I authorize the variable direct debits described above and understand the regular 28th collection date, retry attempts, USD 1 transaction charge and USD 10 returned-debit fee.
