PERSONAL TRAINING LIABILITY WAIVER

1. The member voluntarily starts and participates in physical fitness and performance training (the Activity) entirely at their own risk. The Activity includes travel to and from, instruction, exercise and use of training equipment.
2. Risks include physical or psychological injury, pain, suffering, illness, disfigurement, temporary or permanent disability, economic or emotional loss and death. The member is responsible for deciding whether participation is suitable and for obtaining medical advice when needed.
3. To the maximum extent permitted by applicable law, the member releases, waives, indemnifies and holds harmless Dreamz Fitness Bonaire, ABC Fitness & Health N.V., trainers, instructors, affiliates, managers, members, staff, volunteers, agents, attorneys, representatives, predecessors, successors, assigns and personal representatives from claims or causes of action arising from participation.
4. The member understands this is a release of liability and voluntarily waives rights to bring a legal action for personal injury or property damage, except where applicable law does not permit that waiver.
5. Nothing excludes intentional misconduct, gross negligence, reckless conduct or a mandatory legal duty that cannot be excluded. Non-waivable rights remain intact.
6. The member confirms that all information is true, has read and understood this add-on and waiver, and accepts that rights may be limited by this disclaimer to the maximum extent permitted by law.
